

Tryst

Design by Roger Webb Associates
Product Brochure 2017

Tryst

Developed to Support Agile Environments

A modular collection of high and low back sofas and seating booths designed to be configured to facilitate professional and social spaces with varying visual and acoustic privacy demands.

Developed to support agile environments, socialise with Tryst sofas, focus with Tryst canopys and collaborate with Tryst booths.

Integrated power, lights and media units are available in the range.

Tryst
